Ms. Buford,

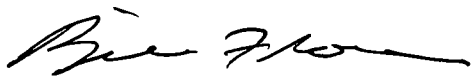

Per your instructions as RAD Analyst, this letter is being sent to inform the Federal Election Commission (the "Commission") of an inadvertent error in the previous reporting of a personal loan that I made to my campaign committee, Bill Flores for Congress (the "Committee", FEC ID C00472241), for the 2010 runoff election. The error was recently discovered by the Committee's Treasurer during a review of the loan schedules.

Specifically, I made a \$20,000 loan from personal funds to the Committee on March 1, 2010, and this loan was reported to the Commission on the 12-Day Pre-Runoff report originally filed on April 1, 2010. While this loan was intended by me to be designated for the runoff election held on April 13, 2010, it was inadvertently reported by the Committee as being for the 2010 primary election.

On November 22, 2010, the Committee indicated that this loan was forgiven by me as it was perceived to place the total outstanding loans for the 2010 primary election at \$270,000.

Please accept this letter as notice that my personal loan to the Committee was indeed designated for the 2010 runoff election, and it will be reported as an outstanding loan on the Committee's upcoming quarterly report in October 2014.

Sincerely,

Bill Flores, FEC ID H0TX17104
